If yes please give licence number:-

.....
3. Please list below in your order of priority the species you currently fish for and the methods used for their capture:-

SPECIES FISHING METHOD

The above information is required to validate your membership application, as we realise that not all applicants to the Association require a licenced boat to carry out a lawful fishing business. Furthermore the questions asked here will help us asses any needs and requirements that may be specific to the type of fishing the individual member carries out and will aid us in the correct distribution of any benefits that may become available to the Association and its members. All information collected here will remain confidential and will not be passed onto or used by third parties, it will only be used for the benefit of the Association and its members.
